

An opportunity with Jindal Steel & Power for responsibility and commitment to build new India

With an annual turnover of over US \$ 2.3 billion, Jindal Steel and Power Limited is part of over US \$ 12 billion O.P. Jindal Group. JSPL is a leading player in Steel, Power, Mining and Infrastructure sectors. JSPL has consistently tapped new opportunities by increasing production capacity, diversifying investments and leveraging its core capabilities to venture into new businesses. JSPL's investment commitments in steel, power and mining have touched

more than US \$ 30 billion. In the recent past, JSPL has expanded its core sectors to various parts of the world particularly in South America, Africa and Asia. The company with its flagship steel plant at Raigarh in Chhattisgarh and the first mega power project in the private sector at Tamnar has planned expansions in steel and power sectors at Raigarh, Patratu (Jharkhand) & Angul (Odisha).

JSPL is recipient of many prestigious awards in HR Practices, Environment Management, CSR, Safety & Quality Standards
